## ***DESCRIPTION OF LOGO OF SWAMI RAMA HIMALAYAN UNIVERSITY***

Starting from the top, the four pillared building is resting on the foundation of an open book. The four pillars represent the four *Purusharthas* or aims of human life, namely, *Dharma* (Ethical living), *Artha* (Material Prosperity), *Kama* (Emotional Fulfilment) and *Moksha* (Emancipation) and the open book indicates the foundation of learning. Taken together, this part of the logo represents an institution of learning that can help the students achieve the four aims of life by schooling them in moral, practical, emotional and spiritual values and knowledge

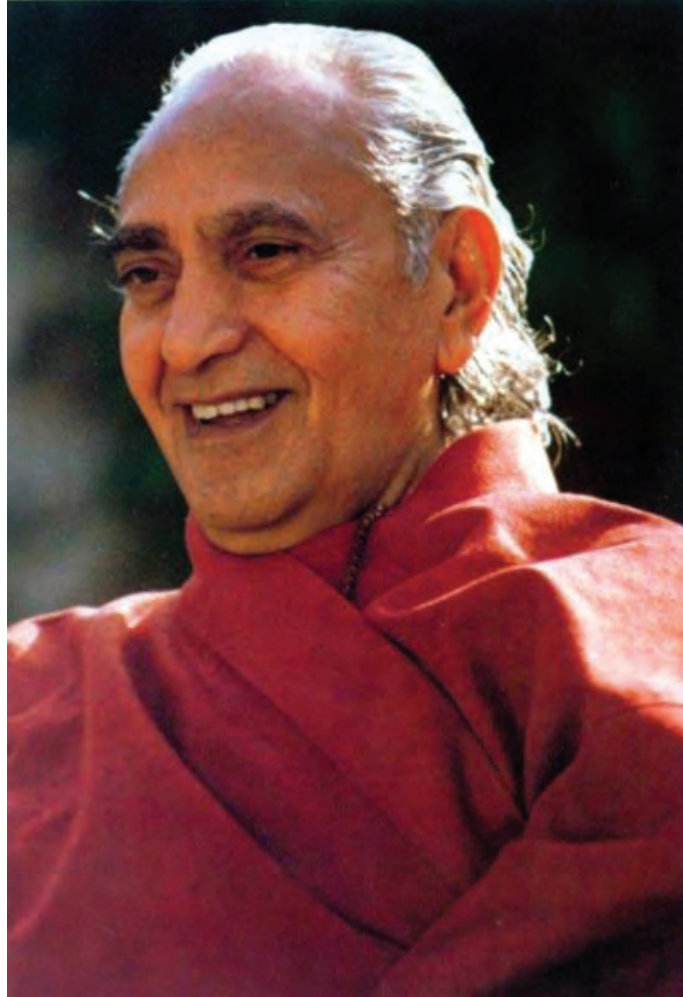

The Sanskrit words, “*Yogaha Karamasu Kaushalam*”, is from the Bhagavad Gita and defines Yoga as perfection in action. H.H. Swami Rama was an ardent advocate of acting skilfully, selflessly and lovingly. The lamp at the center signifies the light of knowledge.

The swan is a classical symbol in India of *buddhi* (faculty of discrimination), as it is believed that a swan can separate milk from a mixture of milk and water. The University would like to impart this quality of *buddhi* to its students

The lotus is another classical Indian symbol signifying being rooted in the practical world but blossoming into the light, like the lotus, which grows in marshy soil but blossoms facing the sun above. The saffron color of the lotus is symbolic of going beyond the outer world to the inner spiritual world.

The words “Love, Serve, Remember” represent the motto given to us by H.H. Swami Rama. He exhorted us to serve our fellow beings lovingly, remembering that the same ONE dwells in each of us and that service to our fellow beings is the best form of worship of the Divine.

The shield represents our protection by knowledge in the battle against ignorance.

H.H. DR. SWAMI RAMA

A JOURNEY FROM FINITE TO INFINITE

## GRATITUDE

Swami Rama Himalayan University is happy to bring out its fifth Annual Report which is a comprehensive view of the academic year 2018-19 and brings together the vast range of initiatives, studies, teaching, and research activities taking place across the University. Behind the success of every University, there lie cumulative efforts of innumerable people who have contributed immensely in different ways.

Firstly, we would like to acknowledge with fond remembrance our Gurudev His Holiness Dr. Swami Rama who by his visionary forethought had envisioned the seeds to serve this for people in great medical, economic, and social need.

We express heartfelt gratitude to all the members of “Himalayan Institute Hospital Trust” (HIHT), the Promoting Society of SRHU, for their enthusiasm and dedicated work which have made this University grow year upon year.

Due accomplishments are attributed, in large, to the Hon’ble Visitor of the University.

We highly commend the contribution, guidance and insightful leadership of Tan Sri Datuk Dr. Mohan Swami, Hon’ble Chancellor which had always been a source of inspiration to scale new heights of excellence.

Our sincere acknowledgement to all the members of Board of Governors, Board of Management and other authorities for helping us in achieving excellence throughout the journey.

We are grateful to the University Grants Commission, Ministry of Human Resource Development and Govt. of Uttarakhand, for their mentoring, guidance and time to time support. We are thankful to the dedicated efforts of University officers and executors of daily affairs who enabled the University attain new landmarks.

We extend our sincere thanks to the Deans, Principals, administrators, faculty members and non-teaching staff of all the constituent colleges/schools/academic units for their constant support and co-operation.

The University wholeheartedly acknowledges the support and co-operation by one and all in its accomplishments.

Dr. VIJAY DHASMANA  
VICE-CHANCELLOR

# SWAMI RAMA HIMALAYAN UNIVERSITY

# WELCOMES YOU

# *Introduction*

## EVOLUTION OF SRHU

**Swami Rama Himalayan University (SRHU)** has been established by Himalayan Institute Hospital Trust (HIHT), Promoting Society of the University, under section 2(f) of UGC Act and enacted vide Uttarakhand Act No. 12 of 2013. The University has been founded by the Promoting Society to carry forward the legacy of its founder H.H. Dr. Swami Rama. This visionary sage conceived, designed and established HIHT to translate all his dream projects into reality for the benefit of mankind and who remains a guiding force for us in turning the barren land of the foothills of Himalayas into a medical and educational city.

The SRHU purports to provide education, training and enable research in areas of medical sciences, dental sciences, allied health sciences, pharmacy, nursing, management studies, science, engineering & technology, rural development, humanities, law, yoga sciences and other areas of higher education.

SRHU is self financed and a 'Not for Profit University'. It is functional in an eco-friendly 200 acres campus with residential and recreational facilities. The academic functioning is backed by a large faculty base consisting of intellectuals, academicians and researchers. The courses/programmes offered by SRHU concentrate on development of skill-based professionals & entrepreneurs and their capacity building for self-employment as well as generating employment for others. SRHU addresses the existing challenges by following a redressal approach for facilitating transformational changes by providing the power of education and knowledge.

In the first phase, SRHU became functional in 2013 with three constituent colleges/schools, namely, Himalayan School of Engineering & Technology (HSET), Himalayan School of Management Studies (HSMS) and Himalayan College of Nursing (HCON). Thereafter, with effect from 1<sup>st</sup> June 2014, Himalayan Institute of Medical Sciences (HIMS), 1000 bed super-specialty hospital has been added as constituent college/academic units of SRHU. The University offers Diploma, UG, PG courses and Ph.D. program in various specialties.

Over the journey of five years of the University, the students' strength as on date has grown tremendously. Faculty members & staff are our strength..

Not only faculty members, but also the students, are involved in research projects which are either funded by the University or external agencies like ICMR, DST, UCOST, NIPCCID, RNTCP etc. Publication of research papers by faculty members is a regular process. Research publications of faculty members in numerous indexed national & international journals is on the increase every year. The students have developed various useful projects under the able guidance of mentors. The University provides financial incentive to faculty members for paper publications and research projects.

Under a well-defined policy of the University, financial support is provided to the faculty members & staff for attending conferences, workshops, seminars, training sessions and other programmes either in the country or overseas.

Meritorious students from financially weak background are provided financial assistance in the form of waiving-off their tuition fee by the University during the past four years. In addition, the University awards 'Merit cum Means Scholarship' to the students.

Last, but not the least, the University is actively involved in contributing meaningfully towards the growth of the State of Uttarakhand and Nation by providing education, training, research activities, effective health care services including super specialties at affordable cost under one roof and outreach activities for the social cause.

# LIBRARY REPORT

The financial year 2018-19 continued as an eventful year for the library services in the University. There was a paradigm shift from print to digital services. In this process work on a University Digital Repository “Himalayan” was strengthened. Library staff represented the University at national stage. Several programmes for the benefit of users were started. Details of all activities of the SRHU library system is given below.

## CENTRAL LIBRARY (MEDICAL INSTITUTE LIBRARY)

Medical Institute Library, Known as Central library, is the oldest and biggest library of the university which caters to the needs of medical, nursing, biosciences and paramedical students and faculty. The major activities of Central library are given below.

### Collection Development:

#### *Print Books:*

This library continued collection building in all areas of medical sciences. The total print book collection in this library is now 187811. During the period under report, 420 copies of 226 titles costing Rupees 4,38,985 were added. All the above copies were classified and their data was entered in to the Library Management System.

The discipline wise additions are given below.

**Table 1. Discipline-wise list of books added during FY-2018-2019**

S.No	Department	Title of Books	Number of copies	Cost

## ENGINEERING AND TECHNOLOGY LIBRARY (ETL)

ETL serves the needs of students and faculty of Himalayan School of Engineering and Technology. This Library is rapidly growing and having collection of 10 print journals. The library is having two databases – EBSCO Engineering Source for online full text journals and EBSCO eBook Engineering Core Collection for several eBooks. Period under report was very encouraging which is reflected in the following data.

### Collection Development

#### *Books*

During the period under report 80 books were added to ETL at a cost of Rs30,876.00 only. Total collection is now 7426 books.

#### Use of Library Material by ETL and Management Library

Table 5 gives the details of books issued/returned by ETL and Management Library

## MANAGEMENT STUDIES LIBRARY

The library is also housed with the ETL. It serves the need of Management Sciences Students and faculty, Main developments in the library are listed below.

#### *Books*

Books collection of Management Library was augmented by 147volumes at cost Rs84,482.00 only. Total collection now stands at 3770.

#### *Journals*

The Library has a collection of 12 print journals. There is a major shift in journal subscription in this library toward e – journals. For the benefits of users,JGate – an indexing services covering about 60,000 journals and EBSCO Business Sources Elite an aggregated services covering more than 600 active full – text journals and magazines, more than active full – text peer-reviewed journals, nearly 180 active full-text peer-reviewed journals with no embargo and more than 310 active full-text journals indexed in Web of Sciences of Scopus.

## COLLEGE OF NURSING LIBRARY

The activities of College of Nursing Library are covered under Medical Institute Library

### NEW INITIATIVE

- Central library has introduced its digital repository “The Himalayan” of Question Papers, Thesis & Dissertations and others for easy and quick browsing. This can be accessed through library website at <http://srhu.edu.in/srhu-libraries/>

### Participation of Library Staff in National and International Events

Shri Yogendra Singh Librarian participated in following events

1. Delivered an invited talk at DRDO, New Delhi on 1<sup>st</sup> May, 2019.
2. Attended a Book Release function at CCS University Meerut as Guest of Honor on 6<sup>th</sup> April, 2019.
3. Attended Wiley University Conclave at New Delhi on 8<sup>th</sup> March, 2019.

## DR. SWAMI RAMA REMEMBERED ON HIS 22<sup>ND</sup> MAHASAMADHI DIWAS - 13<sup>TH</sup> NOVEMBER 2018

This year, on 13<sup>th</sup> November, SRHU and our Promoting Society, Himalayan Institute Hospital Trust (HIHT) observed 23rd Mahasamadhi Day in remembrance of our Founder and Guide, His Holiness Dr. Swami Rama

Former Prime Minister of India, Dr. Manmohan Singh graced the auspicious occasion as the Chief Guest. The day started with Dr. Singh paying homage to Swami Ram at Swami Rama Center. He was welcomed by SRHU Vice Chancellor Dr. Vijay Dhasmana, Pro Vice Chancellor Dr. Vijendra Chauhan and Mr. Vikram Singh.

In his public address, he lovingly remembered the time he first visited the campus in 1994, as the Finance Minister of India to inaugurate the first phase of Himalayan Hospital building which was the first private hospital of the state (Uttar Pradesh) and to install the statue of Lord Buddha.

He fondly reminisced his experiences with Swami Rama.

Quote “In 1994, the first phase of the Himalayan Hospital was completed and I had the privilege of inaugurating it. Amidst all the hustle and bustle of the inaugural ceremony, Swamiji was absolutely calm and composed, as if it was just another day, just another activity. He was personally involved in everything, yet appeared so free. I was deeply touched by Swamiji’s hospitality. Not once did he make me feel that I was in the company of a great Himalayan Master. A perfect host, he ensured that my smallest needs were fulfilled. He walked me through the

corridors of the hospital, sharing every single detail. He talked about the kind of treatments that would be provided by the hospital and how each department would serve the patients. When Swamiji was talking about the hospital, its facilities and how this hospital would provide respite to the people in the region and in its hinterland, I could sense his passion, energy, and sankalpa Shakti (determination) for getting this hospital built, despite all the challenges he faced. I also remember him stating that most of the diseases are psychosomatic and our living lifestyle make a huge impact on our overall being i.e. body, mind and soul. I was astonished that Swamiji, a doctor of Homeopathy, had so much knowledge about Modern Medicine, Ayurveda, Holistic Health and Complementary Therapies. He was a firm believer and an advocate of disease prevention and maintenance of optimal health.” (Unquote)

Dr. Singh also recollected that the issue of rural development was very close to Swamiji’s heart and Swamiji truly gave us the guiding principle to live our life with Love | Serve | Remember. He then shared that having held the highest offices of the nation, his personal experience was that real happiness comes from serving and helping others.

As a tribute to the Master who worked tirelessly for improving the lives of people living in the remotest of the areas, University recognizes and honors organization who has dedicated themselves in service of humanity with “Swami Rama Humanitarian Award”. The award consists of citation, a gold medal and a cheque of Rs. 5 lakh. This year recipient of this prestigious award to Sewadham Ashram, Ujjain who are rehabilitating elders, abandoned children, differently-abled children, patients suffering from cancer, HIV and other terminal diseases with courage, commitment, compassion and empathy. Shri Sudhir Bhai Goyalji, was overwhelmed with the recognition by the University.

We have set a tradition of recognizing the good work of SRHU family. This year 24 employees were recognized for their extraordinary contributions to the organization and were awarded “Best Employee Award” in the categories of Clinical, Best Teacher, Para Clinical, and Non Clinical.

The Mahasamdhi Diwas concluded with distribution of Prasad (offering to almighty) by way of Bhandara to approximately 8000 including people from nearby villages.

The workshop sought to elucidate how it is significant to build a solid academic foundation by designing clear and specific learning objectives and outcomes.

Dr. Saklani explained that learning outcomes are statements that describe the knowledge or skills students should attain by the end of a particular program or course, and help students comprehend why that knowledge and those skills will be useful to them. They focus on the context and potential applications of knowledge & skills, and help students connect learning in various contexts, also guiding assessment & evaluation.

Effective learning outcomes emphasize the application and integration of knowledge. Instead of focusing on coverage of material, learning outcomes articulate how students will be able to employ the material, both in the context of the class and more broadly in a task.

The workshop centered on the principles of Blooms Taxonomy that classifies learning outcomes in various categories which is the building block for a sound academic teaching learning plan. The faculty members participated actively frequently interacting during the workshop.

### **WORKSHOP ON TURNITIN SOFTWARE 11<sup>TH</sup> JANUARY 2019**

A workshop on the benefits and usage of turnitin software was conducted at HSMS by Mr. Vinay Srivastava from Research cell, SRHU on January 11, 2019. The workshop was attended by the faculty members and research scholars at HSMS.

The benefits of Turnitin are manifold. Turnitin is a commercial, Internet-based plagiarism detection service that was launched in the year 1997. Universities and high schools typically buy licenses to use the software as a service (SaaS) website, which checks submitted documents against its database and the content of other websites with the aim of identifying plagiarism. Results can identify similarities with existing sources, and can also be used in foundational assessment to help students learn to avoid plagiarism and improve their writing.

Apart from detecting plagiarism, Turnitin is one aspect in the adoption of an all-inclusive approach to academic veracity that can be used to teach students what constitutes plagiarism as well as how to cite sources and reference correctly. Turnitin can also provide pointers for staff on where students may need help with improving their writing skills. Turnitin should be used in amalgamation with other educative approaches to help address issues in academic writing with students. The workshop was both informative and interactive.

### **LAMP LIGHTING & OATH TAKING CEREMONY - 25<sup>TH</sup> JANUARY'19**

Lamp Lighting & Oath taking ceremony of the 23<sup>rd</sup> batch of GNM and 13<sup>th</sup> batch of B.Sc. Nursing students, Himalayan College of Nursing was held on 25<sup>th</sup> January 2019 in the Auditorium of Himalayan College of Nursing. It is an auspicious occasion in which the first year nursing students take oath from "Florence Nightingale's Pledge" to initiate the students into the noble profession of nursing.

The program started at 3: 00 pm by lighting of the lamp by Chief guest Dr. RenuDhasmana, Dr. Y.S Bisht, Dr. Sanchita Pugazhendi, Dr. Kathleen M.McKeehan, Mrs.Upma George and Dr. KamliPrakash.

"SaraswatiVandana" was sung by students.

Florence Nightingale's lamp was lit by Dr. Sanchita Pugazhendi and Dr. Kathleen M.McKeehan and the Symbolic light of Care, Compassion and Commitment was passed on to other faculty of the Practicing Nursing Profession who then passed on the light to students inducted to Nursing Profession. The students lit their lamps from the lamps of nursing leaders symbolizing the promise of right direction and guidance. This gesture depicts the very essence of this ceremony - passing on the tradition of nursing from one generation to the next. Ms. Harleen Kaur, Assistant Professor, recited the Nightingale oath symbolizing the actual ceremony of "Initiation" of the students to Nursing Profession.

Dr. Renu Dhasmana, Director Nursing explained the importance of oath and encouraged student nurses to provide better quality care to the clients and maintain the dignity, honesty of nursing profession.

## GUEST LECTURE ON "PALLIATIVE CARE IN HEALTH CARE"- 25<sup>TH</sup> FEBRUARY 2019

Continuing Nursing Education Committee of Himalayan College of Nursing, SRHU along with Prem Ganga Hospice Centre organized a guest lecture on "**Palliative Care in Health Care**" for Faculty, Staff Nurses, Undergraduate and Postgraduate nursing students on 25 February 2019. The speaker for the lecture was Ms. Gilly Burn, Director, Care Response International and Cancer Relief India, from United Kingdom.

Ms. Gilly Burn elaborated on palliative care for cancer patients and patients admitted in intensive care unit. She said that a nurse must use imagination and feel the pain and emotions of patients, she should sit by the side of the patient and communicate them by saying “**Namste**”. This helps a nurse to develop good professional relationship with patients and also helps in giving care to patient which results in early recovery of patient and improving their quality of life. The guest lecture ended with closing remarks by Dr. Kathy, Advisor and vote of thanks by Dr. KamliPrakash, Committee Chairperson.

### GUEST LECTURE ON "BANKING AS A CAREER & NURTURING CUSTOMER RELATIONSHIPS" - 9<sup>TH</sup> MARCH 2019

## हिमालयन हॉस्पिटल में शुरू हुई न्यूमैटिक ट्यूब की सुविधा

सैपल, वार्ड व ओपीडी से सीधे लेबोरेटरी में जांच के लिए पहुंच जाएगा

जागरण संवाददाता, ऋषिकेश: हिमालयन हॉस्पिटल में अब न्यूमैटिक ट्यूब सिस्टम की सुविधा शुरू हो गई है। इससे लैब से मिलने वाली रिपोर्ट का समय और त्रुटि की संभावना कम हो जाएगी।

शुक्रवार को कुलपति डॉ. विजय धस्माना ने हिमालयन हॉस्पिटल में न्यूमैटिक ट्यूब सिस्टम का उद्घाटन किया। इस मौके पर उन्होंने मरीजों को विश्वस्तरीय स्वास्थ्य सेवा देने की प्रतिबद्धता दोहराई। न्यूमैटिक ट्यूब सिस्टम देश के चुनिंदा हायर सेंटर्स में ही है। इसी के साथ दवा के लिए कल्पतरू के नए स्टोर का भी उद्घाटन भी किया। हॉस्पिटल में करीब 300 बेड के नये अत्याधुनिक ओपीडी भवन का निर्माण कार्य भी जारी है।

अगले चरण में कैंसर रिसर्च इंस्टीट्यूट में न्यूमैटिक सुविधा शुरू की जाएगी। हिमालयन सेंट्रल डायग्नोस्टिक एंड रिसर्च लेबोरेटरी के विभागाध्यक्ष डॉ. डीएस गौड़ व डॉ. विकास श्रीवास्तव ने बताया कि हॉस्पिटल के सभी हिस्सों को इस सुविधा से जोड़ दिया गया है। सैपल

कलेक्शन के लिए हॉस्पिटल में करीब 13 स्टेशन बनाए गए हैं। दो से तीन वार्ड को एक स्टेशन जोड़ा गया है। करीब 300 टेस्ट के सफल परीक्षण के बाद इस हाईटेक सेवा को शुरू किया गया है।

इस दौरान प्रतिकुलपति डॉ. विजेंद्र चौहान, चिकित्सा अधीक्षक डॉ. वार्ड एस बिष्ट, डॉ. डीसी धस्माना, डॉ. संजोय दास, डॉ. अनुराधा कुसुम, अमरेंद्र कुमार, उनीवाल, राजपाल रावत, रोशन नौगाई आदि मौजूद रहे।

क्या है न्यूमैटिक ट्यूब सिस्टम : अस्पताल में भर्ती मरीजों के खून, पेशाब, या अन्य तरह के सैपल को जांच के लिए पहले एक तरह के रिजेंट में सुरक्षित रखकर पैरामेडिकल स्टॉफ या लैब तक नीशियन की मदद से लैब तक पहुंचाया जाता था। ट्यूब व्यवस्था में एक तरह के मोटे पाइप के जरिये सैपल रखा जाता है, जिसकी फीटिंग इमरजेंसी से होते हुए वार्ड तक होती है। बारकोडिंग कर मरीज के सैपल को ट्यूब में रखा जाता है।

## डायलिसिस कराना होगा सस्ता

**संवाद सूत्र, छोईवाला:** अब देश में ही निर्मित हीमोडायलिसिस मशीन से मरीजों का डायलिसिस किया जाएगा। बेंगलूर की रैनालिस कंपनी ने डायलिसिस की पहली स्वदेशी मशीन तैयार की है। मशीन के निर्माण में स्वामी राम हिमालयन विश्वविद्यालय (एसआरएचयू) में बतौर कुलपति सलाहकार व बायोमेडिकल साइंटिस्ट डॉ. प्रकाश केशवया का निर्देशन अहम रहा।

डॉ. प्रकाश केशवया ने बताया कि मशीन का मैसूर में सफल परीक्षण किया जा चुका है। जल्द ही बाजार में वे मशीन बिक्री के लिए उपलब्ध होगी। उन्होंने कहा कि 30 साल से अधिक समय से वह डायलिसिस के क्षेत्र में काम कर रहे हैं। मरीज के लिए डायलिसिस बेहद पीड़ादायक होता है साथ ही विदेशी मशीन होने के नाते इस पर खर्चा भी अधिक होता है। लिहाजा, बड़े हॉस्पिटलों में ही डायलिसिस हो पाता है। इस कारण डायलिसिस के लिए गांव व छोटे शहरों से मरीजों को डायलिसिस के लिए शहर आना पड़ता था। उनका उद्देश्य मरीजों के इस पीड़ा को कम करना था। डायलिसिस मशीन के स्वदेश में निर्माण के लिए कई सालों की रिसर्च काम आई। डॉ. केशवया बताते हैं कि बेंगलूर की

- कीमत कम होने से बेसिक स्पेशियलिटी हॉस्पिटल भी खरीद सकेंगे मशीन
- मरीजों के लिए डायलिसिस कराना होगा आसान और सस्ता

रैनालिस कंपनी के सहयोग से स्वदेश में पहली हीमोडायलिसिस मशीन बनकर तैयार हो चुकी है। विदेशी मशीनों की तुलना में यह करीब 30 फीसदी तक सस्ती होगी।

## Manmohan felicitates best workers at HIHT

TIMES NEWS NETWORK

**Dehradun:** Former prime minister Manmohan Singh on Tuesday visited the Himalayan Institute Hospital Trust (HIHT) to mark the 23rd death anniversary of Swami Rama, popularly known as the Himalayan saint, on Tuesday.

Felicitating the best workers of the institution, Manmohan Singh -- who was the chief guest at the event -- said that the institution has set an example in the service of mankind. Sudhir Bhai Goel of Sewadham Ashram received the lifetime achievement award at HIHT on the occasion. Recalling his first visit to the institute in 1994, the former prime minister felt nostalgic and said that he was here at that time to inaugurate the first

wing of the hospital which now has over 1,200 beds and is in the process to add 300 more beds in the days to come. He also acknowledged the work done by the Swami Rama trust in rural areas of

Uttarakhand, including construction of 14,000 toilets and establishment of 50 schools and 10 anganwadi centres. "In 1994, I was amazed when I saw Swami Rama's determination to build a hospital at a place that was literally a jungle. Today, when I see this institution flourishing and serving mankind, I feel blessed to have met the great man," said Manmohan Singh.

Sudhir Bhai Goyal, founder of Sewadham Ashram that was established in Ujjain in 1986, was felicitated with the lifetime achievement award at HIHT. Now 61, Goyal said he was overwhelmed for receiving the honour and that he was now more determined to work for the needy. Goyal received a citation and a cheque of Rs 5 lakh from Manmohan Singh.
